

SAFE SPACE

Network Charter

Vision

To live in caring communities capable of supporting, nurturing and healing each other.

Mission

To discover, connect and encourage like-minded community members to offer safe support options for people to reach out to in times of emotional distress.

Principles

Compassionate, connected communities are pathways for healing.

People have all the resources they need within.

We can hold hope for each other with compassion and kindness.

Safe Space Network Charter: a collaborative community movement

SAFE SPACE

Network Charter

Our ways of being:

Offering a warm space and time
Position of hope
Heart-based

Our ways of doing:

Creating safety
Fostering connection and sense of belonging
Acceptance
Storying
Deep, sensitive listening

Our ways of seeing:

Whole person
Unique strengths and inner resources

Our ways of relating:

Relationship is central
Inclusive
Space for the person to find their voice and meaningful support/s
Non-blaming
Broader social context

Network coordination is provided by Wesley Mission Queensland (WMQ) with more information available by contacting:
